Spoke to women from 3 families (we gave out 3 sets of food packets today) to confirm what they need in a month / have a conversation on where most of their monthly income goes.

These are families with kids and temp homes or tents / unhoused and support themselves with daily wage work (\$5.95 per day) and from my conversations with them, about 1/3<sup>rd</sup> of their income goes to food – sometimes more.

Based on their preferences, will also be adding basic spices and tea to the packet but ill cover cost separately there.

Will share images/evidence if I can when we give out these now 32 sets - planned for Tuesday 10/22.

All groceries bought from a wholesale market as to keep best cost to value ratio.

We can keep adding more packets until Sunday – please use the [‘buymeacoffee’](#) link if you’d like to directly contribute.

**Thank you for your donation to the Children's Emergency Fund.**

Before you go, there's something you need to know...

Conflict and hunger don't take a day off, so neither can we.

Caring for children in crisis requires daily action. Boys and girls in the United States and around the world – from the Middle East to the Horn of Africa – need a safe place to rest their head every night, not just for a day or a week during an emergency.

That's why caring people like you can help provide children with hot meals, warm clothes, and a solid education every day, as monthly donors.

The packet (1/3)

Milk had to be kept cool so was placed and handed out separately. (2/3)

The 5kgs of flour was also handed out separately, as it was too heavy for the polybag (also trying to find alternatives for the plastic bags but these are the best I can do at the moment, as we're just starting. (3/3)

## FOOD DRIVE 10/22/24

Oct 22, 2024

10/22 : Food Drive Day. Thanks for the donations on this platform - we were able to make 50 sets of food packets. This was distributed amongst families in need - specifically those that are unhoused and live off temporary daily wage work (\$5.95 per day). Please see below the details from today.

From the link on this platform, we raised an additional **\$145**. This converts to 12,192.17 INR and brings us to a total of 31,609.97 INR when added to the 56% from my x account, sim3744's, revenue (math shared).

**TOTAL MONEY RAISED = 52 PACKETS.**

We distributed 50 PACKETS today (2 packets will be distributed on our next outing - will update on this. **This link will stay live for the next food drive.**

THANK YOU again for all your help. **THANK YOU.**
